Procedure for initiating new activities.

- 1 A written proposal must be submitted to the Principal by the prospective advisor(s), outlining the need for the club/activity, the benefit to students, the number of hours and types of activities to be undertaken by the club/activity, and the compensation requested by the advisor(s), if any.
- 2 The Principal will review the proposal and may ask the prospective advisor(s) for additional information.
- 3 Once the Principal is satisfied that the proposal is complete, consistent with district goals, and meets the needs of students, the Principal will arrange a meeting with the prospective advisor(s), a representative designated by the President of the Montachusett Regional Teachers' Association, and the School Business Manager to discuss the feasibility of the proposal, as well as the compensation, if any, to be paid to the Club or Activity Advisor.
- 4 The Principal will notify the Superintendent-Director of the decision.
- 5 The Superintendent-Director will notify the School Committee.
